Subject: SIGNATURE Permanent Display

7

There has been a delay in the shipment of SIGNATURE Permanent Displays to Hess Locations supplied by McLane Southeast and Suneast Warehouses.

This situation has been corrected and displays should have been shipped to stores beginning on Monday October 28. Please communicate this information to your Retail Reps.

If, in the next two weeks your people find any stores that still do not have displays, please have them voice mail me at 43778 with the store number, and address.

Sorry for the confusion!
